

CDL Class A or B Driver – All Three Shifts Available

Who We Are: Aaron Disposal & Recycling provides best-in-class debris and recycling services to the New England area. We pride ourselves on consistently providing dependable services, regardless of job size or hour of the day. Whether you need help with commercial or residential dumpster rentals, roll-off, or compacting services, we have you covered.

Founded in 2016, Aaron Disposal & Recycling has focused on providing our customers with recycling and disposal solutions for every job, regardless of size, industry, or material. We are committed to helping our customers create the most efficient and cost-effective solution for their projects. We leverage our staff's decades of experience to ensure our customers have the best possible experience.

We are a tight-knit group of individuals that understand and appreciate work-life balance. We also aim to make the work environment as enjoyable as possible. Additionally, we believe in personal and professional growth and will work with you to help you reach your career goals.

What You'll Do: Aaron Disposal & Recycling is growing rapidly and will continue to for the foreseeable future. Joining us now is an exciting opportunity to get in on the ground floor and be a key contributor to our growth and development.

To ensure that we provide our customers with the best services possible and work as efficiently as possible, we are looking to add Drivers to our fleet. This individual is a dedicated and reliable individual looking to work in a fast-paced environment. This individual will work a minimum of 40 hours a week, often with the option to pick up overtime.

Our Drivers will be operating heavy equipment and are relied upon for the drop-off and pick-up of dumpsters throughout the New England area. This individual will work closely with our team and our customers, often directly meeting with the customer when we arrive. Every day will be different, but the core responsibilities will remain constant. We are committed to our drivers' return home safely every day.

A sample of the core responsibilities are:

- completing pre- and post-drive checklists
- driving their provided route and updating the customer and the office on arrival and departure
- safely operating the vehicle in varying conditions and areas
- transporting the dumpsters and debris to a disposal or transfer station.

What You Need:

- Must be at least 18 years of age
- Must hold a current Class A or B Commercial Driver's License ("CDL")
- Legally eligible to work in the United States
- Ability to pass mandatory pre-employment and random drug & alcohol testing (DOT requirements)

What We Offer:

- On-the-job training
- Career development and progression opportunities
- Competitive pay
- Paid time off
- Profit-sharing
- 401(k) (with Company match)
- Dental insurance
- Health insurance
